

Letter of Recommendation

November 24, 2010

To Whom it may concern,

Jefferson is a Commercial Construction Management Company with headquarters in Virginia USA and has an International Branch Office in Doha Qatar. We have contracted with QS Quest Ltd a few months back and have been very pleased with the level of service and quality of personnel inventory they have provided us with. We recently needed several highly qualified management personnel for an airport terminal project in Doha and Quest has helped us fill 12 senior staff members within an 8 week period.

I have personally work with Mr. Tony Dods of Quest and highly recommend his professional work ethics and attention to details. His commitment to our needs to provide personnel in a short period of time was essential in our success of our project.

We will certainly continue to use the services of Quest and look forward to a long term relationship with Mr. Tony Dods.
